MESSAGE FROM THE CAPTAIN TO THE OFFICERS AND THE
CREW OF THE ABBOT:

We all think of Christmas day as one of the most enjoyable days of the year, which all our family gathered at home to worship together on the birthday of Our Savior. This year we all again cannot spend this day of peace and love in the bosom of our loved ones. Let us remember that it is to return to enjoy such occasions as this in the manner of our own choosing and to allow all peoples the right to do likewise that we are here aboard the ABBOT today.

Lets each of us say a silent prayer asking God to give us strength to defeat our enemies that we may again have "Peace on Earth and Good Will toward Men".

Lieutenant-Commander, U.S. Navy,
Commanding U.S.S. ABBOT.
